

Creating a Course

A Moodle Lesson For Teachers

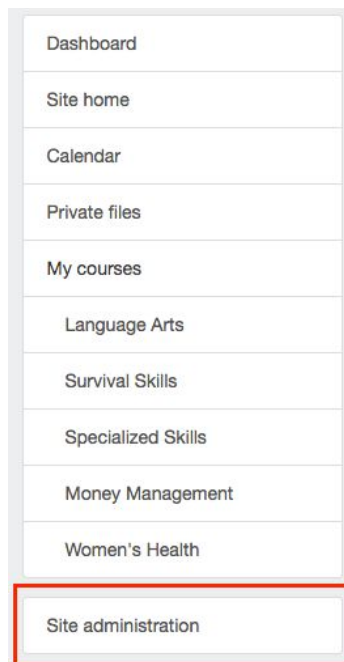

Do you want to start creating course curriculum for your students? Read on below to learn how Teacher **streamlines the connection between wisdom and curiosity!**

Step 1:

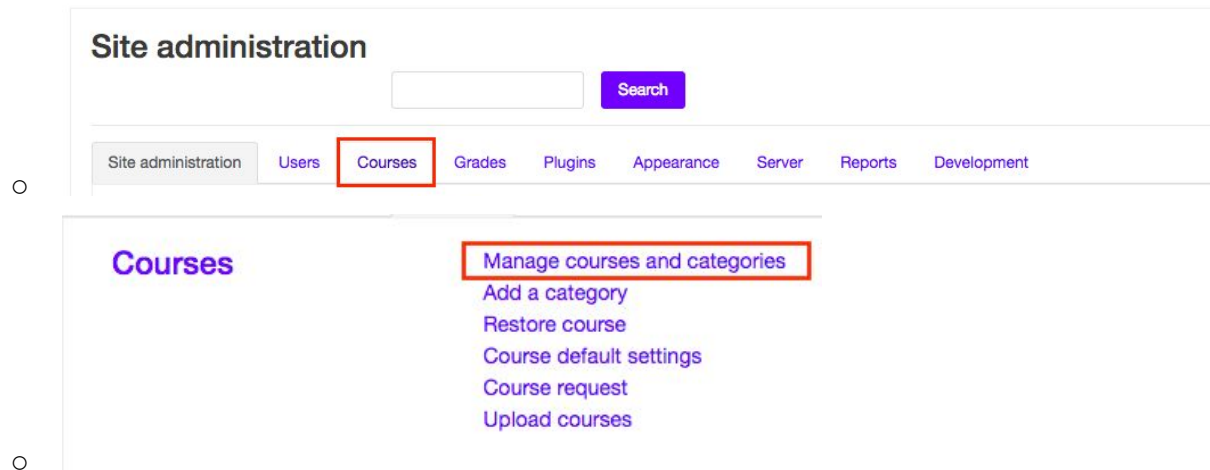

- Register for a Teacher account by visiting <http://www.chimehackteach.world> and logging in with Facebook. (Note: You will need an admin to give you teacher permissions!)

Step 2:

- Select "Site Administration" from the left navigation bar

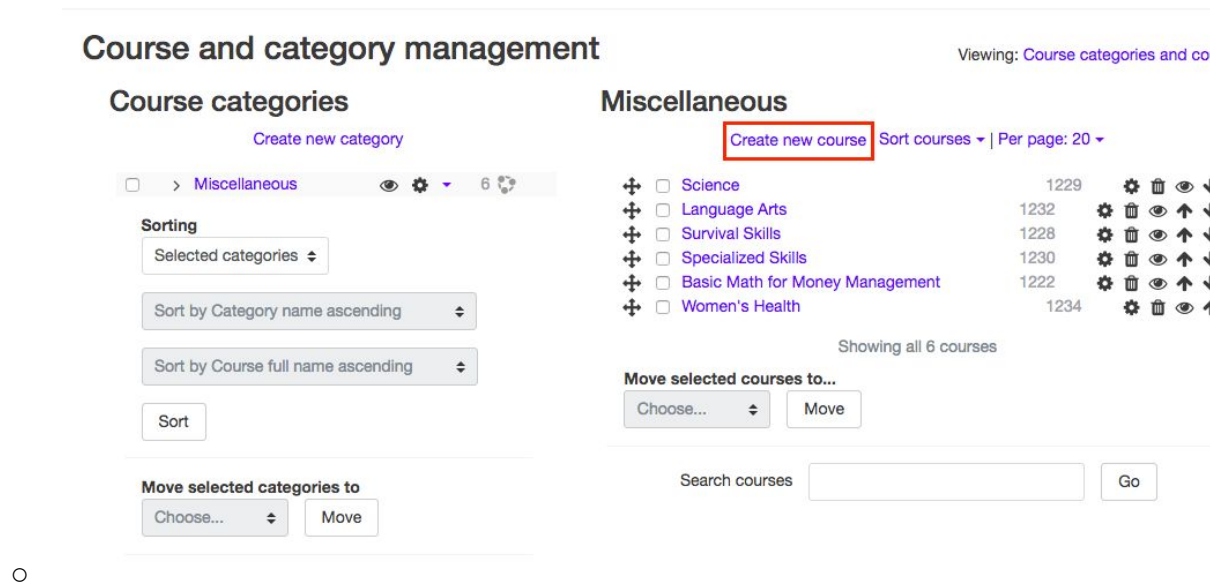

- Select "Courses" from the menu, then choose "Manage Courses"

Step 3:

- Select "Create New Course"

- Fill in the relevant course information and click the continue button!
